

WHY TAKE A CHANCE IF YOU DON'T HAVE TO ?

SUPERSPORT, the HEALTHY deodorant choice!

CHEMICAL ACCUMULATION?

ARE YOUR DEODORANT CHEMICALS ACCUMULATING OVER TIME?

- Your underarm is a gateway to your lymphatic and immune system.
- You apply and leave-on DEODORANT / ANTIPERSPIRANT chemicals every day.
- "Anything absorbed through the skin bypasses the liver and the body gets 100% of it." (1)
- The body stores toxic waste in fatty tissue. The breast contains fatty tissue.
- There are over 2000 references in the National Library of Medicine on the adverse effects of aluminum, including toxic damage to brain cells. It has also shown to alter DNA.
